

## Rules

Luftraum	Art des Fluges	Staffelung	Service	Geschwindigkeit	COM	Freigabe
E	IFR & VFR	IFR – IFR Alle Flüge - Verkehrsinfo, soweit möglich	IFR – ATC VFR – FIS	Alle Flüge – 250 kt IAS unter FL100	IFR	IFR

Important: In contrast to the other controlled airspaces, VFR traffic neither needs an active radio communication with air traffic control nor clearance to enter the airspace.

## VMC Minima

As in all other airspaces, the following minima apply:

- Flight visibility above FL100: **8 km**
- Visibility below FL100: **5 km**
- Horizontal distance from clouds: **1500 m**
- Distance from clouds vertically: **1000 ft**
