## "Hold short Entry South/North" - What does it mean?

Berlin Apron often gives instructions to "hold short of entry south (or entry north). Pilots are supposed to hold short of (in front of) those lines. All Entries are clearly visible on the ground. Do not enter taxiway B or C without explicit ATC instructions!

Take a look at the pictures below to see where you are supposed to hold short...

*Entry South (RWY 25R/07L)*

*Entry North (RWY 25L/07R)*
